1 | WORK DIARY 2021-22 (I, III & V SEMESTER)

General Instructions

I. Teacher's Diary:

Each teacher should maintain a Teacher's Diary which will serve as a comprehensive record of his/her work throughout the year. This to help:

- a). The teacher in his/her day today work.
- b). Others to understand and appreciate his/her work.

The diary should contain the syllabus of the subjects taught, the weekly plan of the work, textbooks, journals, websites and references used, participation and presentation of papers in conferences, publications, remedial measures taken to improve the slow learners, the contacts with the parents etc.

It is mandatory to get the diary signed by the Head of the Institution by the end of each month.

II. In Service Education:

Every teacher is expected to keep himself/herself well informed on the latest trends of education and take advantage of workshops, seminars and conferences being held from time to time.

Teachers are expected to use the library regularly and acquaint themselves with reference materials in their subject.

III. Discipline:

Discipline should be the responsibility of each teacher. Discipline can be enforced through precept and example.

IV. Parent-Teacher Cooperation:

The College maintains very cordial relations with the parents of the students and teachers should always deal with parents with polite and courteous manner. Regular parent teacher meetings are held throughout the year. Teachers may fix times when the parent can come to meet them to discuss the progress of their ward without disturbing their teaching work.

V. Participation and Involvement:

All teachers are expected to help in implementing all quality enhancement endeavours of college and involve in all academic and non-academic activities of the college.

 Two day workshop on
Human Values and Youth in Nation Building
29 and 30 January 2019

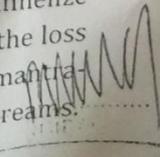

Education without values, as useful as it is, seems rather to make man a more clever devil – C. S. Lewis

Value education is rooted in Indian philosophy and culture. Educational institutions play a significant role in the promotion of value. The welfare of humanity lies neither in scientific or technological advancements nor in acquisition of material comforts. The main concern of education is to enrich the character. What we need today more than anything else is moral leadership to manage the dynamic changes occurring at an alarming rate without loosing balanced mind. This special orientation program aims at imparting value education for the students to think and judge about oneself. This helps in promoting good rapport between individuals and social integration.

With this background, IQAC of Govinda Dasa College and Sri Kuthethoor Hayagreeva Acharya and Smt Bharathi Devi Endowment Unit on Value Education jointly organized Two Day Orientation programme on Human values and Youth in Nation Building on 29 and 30 January 2019 in A. V. Hall of the College in which special focus was given on the topics 'FOCUS' (How to be focused and techniques of mind control) and Methods of Controlling Cancer of Mind.

Objective of the Program :

The session "FOCUS" is aimed towards helping the young minds to channelize their time and energy towards achieving their goals by taking note of the loss of energy/focus in their day to day life and inculcate the habit of mantra meditation to overcome their shortcomings and fulfill their cherished dreams.

3) Army of Blood Donors:

1. Title of the Practice: Army of Blood Donors

An awareness on blood donation is created amongst students. Accordingly, the student senate and SQAC (Student Quality Assurance Cell) of the college created an Army of Blood Donors. During emergency a notice on required number of blood donors is sent to the classes and students voluntarily rush to donate blood.

2. Goal:

- To raise awareness that individuals can save lives and improve the health of others by donating blood.
- To encourage students to donate blood voluntarily without compensations.
- To build wider awareness of the need for regular blood donation throughout the year in order to maintain an adequate supply of blood for all patients requiring transfusion

3. The context: More than 1200 road crashes occurring every day in India, 60 million trauma induced surgeries are performed in the country every year. This requires blood transfusion. Awareness about blood donation in India is sharply skewed. India today faces a shortage of 10% relative to its blood requirements.

4. The Practice: Students of the college join this army of blood donors in the college every year and awareness in blood donation is created. Accordingly, students voluntarily rush to donate blood whenever need arises.

5.Evidence of success: Due to awareness programme students realized their responsibility to save the lives of others. Year wise blood donors of the college is given below:

Year	No of Students
2017-18	113

Valedictory Function On

Repositioning Quality Culture in Higher Education – Concerns and Challenges 15.02.2018

Dr. P.S Yadapadithaya, Professor and Former Registrar, Mangalore University delivered valedictory address. He expressed his concern for the need of repositioning quality in higher education since the employability rate is low on India. Positivism and value based system in teaching and learning process of higher education institutions are indispensable to enhance the quality of the institutions in order to meet the expectations of all the stakeholders.

Sri.M.VenkatRao, Secretary Hindu VidyadayineeSangha, (R),Surathkal emphasized on developing quality culture among the teachers and the students. This helps in increasing the overall quality of an education institution.

Dr.B. MuralidharRao, Principal, GovindaDasa College presided over the function.

Dr. K. ShivashankarBhat, Coordinator welcomed the gathering and Mrs. DayaSuvarna Dept. of Economics extended vote of thanks.

Observations and Outcome of the Workshop

- It is important to shift the focus from a procedural quality assurance to the development of a real quality assurance culture.
- There is a strong need to professionalize staff.
- It is important to create a culture of quality.
- Through motilities students gain more than academic knowledge and expand their soft skills, linguistic skills and in particular, intercultural sensitivity. So that they are more attractive to potential employers as well.
- Student learning outcomes should focus in terms of knowledge, skills and ability that a student has attained at the end of his or her engagement in a particular set of higher education. This would increase their employability.

An alumni association fosters a spirit of loyalty and promotes the general welfare of an organization. Realising this significance, Govinda Dasa College has strived towards formation of its alumni association. Documents pertaining to the same is as follows-

Association Activities Report for Year 2020 – 21

Dear Members,

Heartly Welcome to the First Annual General Body meeting of Govinda Dasa College Alumni Association (GDCAA). It is a proud moment for all of us to be here under the roof of the esteemed institution which has influenced all our lives in so many ways. It is my great pleasure to be standing in front of you all here today to present the First report on Association activities during the year 2020 – 21.

In November of 2019, few alumnus' of Govinda Dasa College met and decided to come together to provide a common platform for thousands of ex-students of the college to come together and contribute to the growth of the Institution. In December 2019, in the presence of more than 40 alumnus', Govinda Dasa College Alumni Association (R.) (GDCAA) was formed with Mr. Ramesh Rao, alumni of 1976 batch as President along with other 17 working committee members from various walks of life like Education, Cultural, Professional, Social work. The association also selected Prof. Y.V. Ratnakar Rao, Dr. K. Rajamohan Rao, Prof. Ramesh Kulai as advisors to the association to guide the executive council in this pursuit.

Association duly got itself registered under the Karnataka Societies registration Act 1960 in March 2020 to provide itself a separate Legal identity and in August 2021, Associations got approval from Income Tax Act under Section 12 (Exempting Association income from Income Tax) and under section 80 G (Exempting contribution to association from tax for donors). As of 31st March 2021, Association has enrolled more than 200 alumni's as Life member and 192 Ordinary members for a term of 3 years.

During the year, Executive council met 3 occasions to discuss on the key activities for regularizing the formation of the association, Review & approval of the Memorandum of association & Bye-laws and discuss and approve the various activities of the association.

Mr. B. Raviraj, BCOM, FCA, Mangalore was appointed as the first auditor for auditing the Financial statements of the association for year 2020-21.

Other Activities of the association
